2. Purpose of this policy

This Member Protection Policy (**policy**) aims to maintain ethical and informed decision-making and responsible behaviours within our sport. It outlines our commitment to a person's right to be treated with respect and dignity and to be safe and protected from abuse. This policy informs everyone involved in our sport of his or her legal and ethical rights and responsibilities and the standards of behaviour that are required.

The policy attachments outline the procedures that support our commitment to eliminating discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, GA will take disciplinary action against any person or organisation bound by this policy if they breach it.

This policy has been endorsed by the GA Board of Directors and has been adopted as one of GA's official policies in accordance with clause 22 of the GA Constitution. The policy starts on the date it is adopted by the board and will operate until replaced. This policy and/or its attachments may be amended from time to time by the GA Board of Directors in accordance with the GA Constitution. Copies of the policy and its attachments can be obtained from our office or the GA website at www.gymnastics.org.au .

For information on the rights, responsibilities and requirements for people involved in our sport at the state and club level, please refer to the member protection policies of the relevant state association or club.

Association Members must also undertake to ensure that affiliated Clubs and individual Members are bound by this policy and are made aware of this policy and what it says.

This policy will continue to apply to a person or Member, even after they have stopped their association or employment with GA, if disciplinary action against that person has commenced.

6. Position Statements

6.1 Child Protection

GA is committed to the safety and wellbeing of all children and young people accessing our services. We support the rights of the child and will act without hesitation to ensure a child safe environment is maintained at all times. We also support the rights and wellbeing of our staff, contractors and volunteers and encourage their active participation in building and maintaining a secure environment for all participants.

GA acknowledges that our staff, Members, contractors and volunteers provide a valuable contribution to the positive experiences of children involved in our sport. GA aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

6.1.1 Identify and analyse risk of harm

GA will develop and implement a risk management strategy, including a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the actions of an employee, volunteer or another person.

6.1.2: Develop Codes of Conduct for Adults and Children

GA will develop and promote a code of behaviour that sets out the conduct we expect of adults when they deal and interact with children involved in our sport, especially those in our care. We will also implement a code of behaviour to promote appropriate conduct between children.

These codes will clearly describe professional boundaries, ethical behaviour and unacceptable behaviour.

(See Part B)

6.1.3: Choose Suitable Employees and Volunteers

GA will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children (in prescribed positions).

This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

GA will ensure that Working with Children Checks/criminal history assessments are conducted for employees, contractors and volunteers working with children, where an assessment is required by law.

If a criminal history report is obtained as part of their screening process, GA will ensure that the criminal history information is dealt with in accordance with relevant state requirements. (See Part C)

6.1.4: Support, Train, Supervise and Enhance Performance

GA will ensure that contractors, volunteers and employees who work with children have ongoing supervision, support and training such that their performance is developed and enhanced to promote the establishment and maintenance of a child-safe environment.

6.1.5: Empower and Promote the Participation of Children in Decision-Making and Service Development

GA will promote the involvement and participation of children and young people in developing and maintaining child-safe environments.

6.1.6: Report and Respond Appropriately To Suspected Abuse and Neglect

GA will ensure that volunteers and employees are able to identify and respond to children at risk of harm.

GA will make all volunteers and employees aware of their responsibilities under respective state laws if they have suspicion on reasonable grounds that a child has been or is being abused or neglected. (See Part E)

In addition to any legal obligation, if any person feels another person or organisation bound by this policy is acting inappropriately towards a child or is breaching the code'(s) of practice set out they may make an internal complaint. Please refer to our complaints procedure outlined in attachment D1 of this policy. This will explain what to do about the behaviour and how GA will deal with the problem.

6.2 Taking Images of Children

Images of children can be used inappropriately or illegally. GA requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. GA also requires the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If GA uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. GA will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. GA will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by paedophiles or other persons. GA will only use appropriate images of a child that is relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc. Where possible GA will seek permission to use these images.

GA requires our members, member associations and clubs to do likewise.

6.3 Anti-Discrimination and Harassment

GA is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination and harassment.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against or harassed.

6.3.1 Discrimination Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by state or federal anti-discrimination laws.

The personal characteristics protected by anti-discrimination laws include attributes such as race, age, disability, gender and race. The full list of protected personal characteristics is in the “Definitions” set out in the Dictionary of Terms.

Discrimination can be either direct or indirect.

- **Direct** discrimination occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect** discrimination occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purposes of determining discrimination, the offender’s awareness and motive are irrelevant.

6.3.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment is unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

6.3.3 Prohibition against Discrimination and Harassment

We prohibit all forms of harassment and discrimination based on the personal characteristics listed in the “Definitions” set out in the Dictionary [see clause 10].

Any person who believes they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy is encouraged to raise their concerns with us. A person may make an internal complaint, and in some circumstances, they may also be able to make a complaint to an external organisation. (Refer to the attachments in Part D of this policy.)

6.4 Sexual Relationships

GA understands that consensual intimate relationships (including, but not limited to sexual relationships) between coaches or officials and adult athletes may take place legally. However, this policy will help ensure that the expectations of coaches or officials are clear and, to ensure that if an intimate relationship does exist or develop between a coach or official and an adult athlete, that relationship will be managed in an appropriate manner.

Coaches and officials are required to conduct themselves in a professional and appropriate manner in all interactions with athletes. In particular, they must ensure that they treat athletes in a respectful and fair manner, and that they do not engage in sexual harassment, bullying, favouritism or exploitation.

We take the position that consensual intimate relationships between coaches or officials and the adult athletes they coach should be avoided as they can have harmful effects on the athlete involved, on other athletes and coaches and on the sport's public image. These relationships can also be perceived to be exploitative due to the differences in authority, power, maturity, status, influence and dependence between the coach or official and the athlete.

We recommend that if an athlete attempts to initiate an intimate relationship with a coach or official, the coach or official should discourage the athlete's approach and explain to the athlete why such a relationship is not appropriate.

If a consensual intimate relationship does exist or develop between an adult athlete and a coach or official, the coach or official is expected to ensure that the relationship is appropriate and that it does not compromise impartiality, professional standards or the relationship of trust the coach or official has with the athlete and/or other athletes.

In assessing the appropriateness of an intimate relationship between a coach or official and an adult athlete, relevant factors include, but are not limited to:

- the relative age and social maturity of the athlete;
- any potential vulnerability of the athlete;
- any financial and/or emotional dependence of the athlete on the coach or official;
- the ability of the coach or official to influence the progress, outcomes or progression of the athlete's performance and/or career;
- the extent of power imbalance between the athlete and coach or official; and the likelihood of the relationship having an adverse impact on the athlete and/or other athletes.

It will often be difficult for a coach or official involved in an intimate relationship with an adult athlete to make an objective assessment of its appropriateness and accordingly they are encouraged to seek advice from the MPIO or other GA official to ensure that they have not involved themselves in inappropriate or unprofessional conduct.

If it is determined that an intimate relationship between a coach or official and an adult athlete is inappropriate or unprofessional we may take disciplinary action against the coach or official up to and including dismissal. Action may also be taken to stop the coaching relationship with the athlete. This could include a transfer, a request for resignation or dismissal from coaching duties.

If a coach, official or athlete believes they are being, or have been, harassed they are encouraged to seek information and support from the MPIO, or other GA official. Our complaints procedure is outlined in Part D of this policy.

6.5 Pregnancy

Everyone bound by this policy must treat pregnant women with dignity and respect and any unreasonable barriers to participation by them in our sport should be removed. GA will not tolerate any discrimination or harassment against pregnant women.

While many sporting activities are safe for pregnant women, we will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks.. Those risks will depend on the nature of the sporting activity and the particular pregnant woman's circumstances. GA will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our sport.

GA recommends that pregnant women wanting to participate in our sport consult with their medical advisors, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation. GA will only require pregnant women to sign a disclaimer if GA requires other participants to sign one in similar circumstances. GA will not require women to undertake a pregnancy test.

6.6 Gender Identity

Everyone bound by this policy must treat people who identify as transgender fairly and with dignity and respect. This includes acting with sensitivity and respect where a person is undergoing gender transition. GA will not tolerate any unlawful discrimination or harassment of a person who identifies as transgender or transsexual or who is thought to be transgender. Descriptions of the types of behaviour which could be regarded as transgender discrimination or harassment are provided in the Dictionary at clause 10 and include trans, transgender and gender diverse.

6.6.1 Gender identity discrimination and harassment

Federal, state and territory anti-discrimination laws provide protection from discrimination against people on the basis of their gender identity. (See definition in Clause 10).

GA is committed to providing a safe, fair and inclusive sporting environment all where people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity.

All persons, regardless of gender identity, are entitled to be treated fairly and with dignity and respect at all times. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity. This includes discrimination or harassment of a person who is transgender or transsexual, who is assumed to be transgender or transsexual or has an association with someone who has or is assumed to be transgender or transsexual. (Refer to the attachments in Part D of this policy.)

We expect all people bound by this policy to act with sensitivity when a person is undergoing gender transition/affirmation.

If any person believes that they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy because of their gender identity, they may make a complaint.

6.6.2 Participation in sport

GA recognises that excluding people from participating in sporting events and activities because of their gender identity may have significant implications for their health, wellbeing and involvement in community life. We are committed to supporting participation in our sport on the basis of the gender with which a person identifies.

If issues of performance advantage arise, we will consider whether the established discrimination exceptions for participation in sport are relevant in the circumstances. Discrimination is unlawful unless an exception applies.

GA is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender person intends competing at an elite level, GA will encourage them to obtain advice about the IOC's criteria which may differ from the position taken by GA.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

6.6.3. Intersex status

Federal anti-discrimination law, and some state and territory anti-discrimination laws, provide protection from discrimination against a person on the basis of their intersex status. (See Dictionary of terms).

GA is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their intersex status.

6.7 Alcohol Policy

GA is committed to conducting sporting and social events in a manner that promotes the responsible service and consumption of alcohol. We also recommend that state associations and member clubs follow strict guidelines regarding the service and consumption of alcohol.

In general, our policy is that:

- alcohol should not be available or consumed at sporting events involving children and young people under the age of 18;
- alcohol-free social events be provided for young people and families;
- food and low-alcohol and non-alcoholic drinks be available at events we hold or endorse where alcohol is served;
- a staff member is present at events we hold or endorse where alcohol is served to ensure appropriate practices in respect of the consumption of alcohol are followed;
- safe transport options be promoted as part of any event we hold or endorse where alcohol is served.

Guidance can be obtained from the "Alcohol Management Policy" available at <http://www.playbytherules.net.au/resources/club-toolkit>

6.8 Smoking Policy

GA is committed to providing a safe and healthy environment at all sporting and social events that we hold or endorse.

The following policies should be applied to sporting and social events:

- No smoking shall occur at or near any sporting event or competition involving persons under the age of 18. This policy shall apply to coaches, players, trainers, officials, contractors and volunteers;
- Social functions shall be smoke free, with smoking permitted at designated outdoor smoking areas; in line with Tobacco reforms;
- Coaches, officials, trainers, contractors, volunteers and players will refrain from smoking and remain smoke free while involved in an official capacity for any of GA, state association, Club or representative team, during and outside of competition.

6.9 Bullying

GA is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable in our sport.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or a group.

Whilst generally characterised by repeated behaviours, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. GA will not tolerate abusive, discriminatory, intimidating or offensive statements being made online. Frustration at a judge, teammate, coach or sporting body should never be communicated on social networking websites. These issues should instead be addressed – in a written or verbal statement or a complaint – to the relevant controlling club, or state association.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to the attachments in Part D of this policy.)

Bullying has the potential to cause great anxiety and distress to the person who has been the target of any comments or statements. In some cases, bullying is regarded as a criminal offence punishable by imprisonment, amongst other things. Frustration at a judge, team-mate, coach, or sporting body should never be communicated on social network channels, but rather by way of reasoned and logical verbal and written statements and where appropriate, complaints, to the relevant controlling club, league or peak sporting body.

6.10 Social Networking Websites Policy

GA acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes social networking websites such as Facebook and Twitter.

We expect all people bound by this policy to conduct themselves appropriately when using social networking sites to share information related to our sport.

In particular, social media activity including, but not limited to, postings, blogs, status updates, and tweets:

- must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate;
- must not contain material which is inaccurate, misleading or fraudulent;
- must not contain material which is in breach of laws, court orders, undertakings or contracts;
- should respect and maintain the privacy of others; and
- should promote the sport in a positive way.

[Further guidance on developing a Communications Policy is available at: www.playbytherules.net.au/resources/club-toolkit.]

7. Complaints Procedures

7.1 Handling complaints

GA aims to provide a simple procedure for complaints based on the principles of procedural fairness (natural justice). Any person (a complainant) may report a complaint about a person/s or organisation bound by this policy (respondent). Such complaints should be reported to the MPIO.

A complaint should be dealt with at the relevant level. Therefore, if a complaint relates to behaviour or an incident that occurred at the:

- state level or involves people operating at the state level, then the complaint should be reported to and handled by the relevant state association in the first instance; or
- club level or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.

Only matters that relate to or occur at the national level and the most serious cases from club and state level should be referred to the national body.

A complaint may be dealt with informally or formally. The complainant usually decides this unless the MPIO or other relevant person within the member organisation or affiliated club considers that the complaint falls outside this policy and would be better dealt with another way and/or the law requires the complaint/allegation to be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in attachment D1. In circumstances where the complaint falls outside the parameters of the Complaints Procedure (attachment D1) then the GA Grievance By-Law 3 might be relied upon.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection, criminal or other relevant legislation.

7.2 Vexatious Complaints and Victimisation

GA aims for our complaints procedure to have integrity and be free of unfair repercussions or victimisation against any person making a complaint.

If at any point in the complaints process the MPIO considers that a complainant has **knowingly** made an untrue complaint or the complaint is vexatious or malicious, the matter may be referred to the GA Discipline Committee for appropriate action which may include disciplinary action against the complainant.

GA will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures can be imposed on anyone who harasses or victimises another person for making a complaint or supporting another person's complaint.

7.3 Mediation

GA aims to resolve complaints quickly and fairly. Complaints may be resolved by agreement between the people involved with no need for disciplinary action.

Mediation is a confidential process that allows those involved to discuss the issues or incident in question and to come up with mutually agreed solutions.

Mediation may occur before or after the investigation of a complaint.

If a complainant wishes to resolve the complaint with the help of a mediator, the MPIO will, where he or she determines it to be appropriate, arrange for a neutral third party mediator where possible. Notwithstanding anything contained in the GA Grievance By-Law 3, lawyers are not able to negotiate on behalf of the complainant and/or the respondent in relation to a complaint referred to it under this Policy. More information on the mediation process is outlined in Attachment D2.

7.4 GA Discipline Committee

The GA Discipline Committee may be convened to hear a formal complaint referred to it by the CEO. The CEO has the discretion to determine whether a complaint is:

- referred to the GA Discipline Committee under this Policy; or
- not suitable for referral to the GA Discipline Committee Tribunal.

The GA Discipline Committee procedure is outlined in attachment D4

A respondent may lodge an appeal only to the GA Appeals Commissioner in respect of a decision of the GA Discipline Committee. The decision of the GA Appeals Commissioner is final and binding on the people involved. Our appeals process is outlined in attachment D4.

Every organisation bound by this policy will recognise and enforce any decision of the GA Disciplinary Committee or GA Appeals Commissioner under this policy.

8. What is a Breach of this policy

It is a breach of this policy for any person or organisation to which this policy applies, to do anything contrary to this policy, including but not limited to:

- 8.1 Breaching the Codes of Behaviour (attachment B to this policy);
- 8.2 Bringing the sport and/or GA into disrepute, or acting in a manner likely to bring the sport and GA into disrepute;
- 8.3 Failing to follow GA policies (including this policy) and procedures for the protection, safety and welfare of children;

- 8.4 Discriminating against, harassing or bullying (including cyber bullying) any person;
- 8.5 Victimising another person for reporting a complaint;
- 8.6 Engaging in a sexually inappropriate relationship with a person that they supervise, or have influence, authority or power over;
- 8.7 Verbally or physically assaulting another person, intimidating another person or creating a hostile environment within the sport;
- 8.8 Disclosing to any unauthorised person or organisation any GA information that is of a private, confidential or privileged nature;
- 8.9 Making a complaint they **knew** to be untrue, vexatious, malicious or improper;
- 8.10 Failing to comply with a penalty imposed after a finding that the individual or organisation has breached this policy; or
- 8.11 Failing to comply with a direction given to the individual or organisation during the discipline process.

9. Disciplinary Measures

If an individual or organisation to which this policy applies breaches this policy, one or more forms of discipline may be imposed. Any disciplinary measure imposed under this policy must:

- Be applied consistent with any contractual and employment rules and requirements;
- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach; and
- Be determined in accordance with our Constitution, By Laws, this policy and/or Rules of the sport.

9.1 Individual

Subject to contractual and employment requirements, if a finding is made by the GA Discipline Committee that an individual has breached this policy, one or more of the following forms of discipline may be imposed:

- 9.1.1 A direction that the individual make a verbal and/or written apology;
- 9.1.2 A written warning;
- 9.1.3 A direction that the individual attend counselling to address their behaviour;
- 9.1.4 A withdrawal of any award, placing, record, achievement bestowed in any tournament, activity or event held or sanctioned by GA,
- 9.1.5 A demotion or transfer of the individual to another location, role or activity;
- 9.1.6 A suspension of the individual's membership or participation or engagement in a role or activity;
- 9.1.7 Termination of the individual's membership, appointment or engagement;
- 9.1.8 A recommendation that GA terminates the individual's membership, appointment or engagement;
- 9.1.9 In the case of a coach or official, a direction that the relevant organisation de-register the accreditation of the coach or official for a period of time or permanently;
- 9.1.10 A fine;
- 9.1.11 Any other form of discipline that the CEO considers appropriate.

9.2 Organisation

10. Dictionary

This Dictionary sets out the meaning of words used in this policy and its attachments without limiting the ordinary and natural meaning of the words. State/Territory specific definitions and more detail on some of the words in this dictionary can be sourced from the relevant State/Territory child protection commissions or equal opportunity and anti-discrimination commissions.

Abuse is a form of harassment and includes physical abuse, emotional abuse, sexual abuse, neglect, and abuse of power. Examples of abusive behaviour include bullying, humiliation, verbal abuse and insults.

Affiliated club means a club affiliated with GA and an Association Member, recognised by GA under clause 5.6 of the GA Constitution.

Association Member (State Associations) means an Association affiliated with GA, recognised by GA under clauses 5.2, 5.3 and 5.4 of the GA Constitution.

Child means a person who is under the age of 18 years

Child abuse involves conduct which puts children at risk of harm (usually by adults, sometimes by other children) and often by those they know and trust. It can take many forms, including verbal and physical actions and by people failing to provide them with basic care. Child abuse may include:

- Physical abuse by hurting a child or a child's development (e.g. hitting, shaking or other physical harm; giving a child alcohol or drugs; or training that exceeds the child's development or maturity).
- Sexual abuse by adults or other children where a child is encouraged or forced to watch or engage in sexual activity or where a child is subject to any other inappropriate conduct of a sexual nature (e.g. sexual intercourse, masturbation, oral sex, pornography including child pornography or inappropriate touching or conversations).
- Emotional abuse by ill-treating a child (e.g. humiliation, taunting, sarcasm, yelling, negative criticism, name calling, ignoring or placing unrealistic expectations on a child).

- Neglect (e.g. failing to give food, water, shelter or clothing or to protect a child from danger or foreseeable risk of harm or injury).

Complaint means a complaint made under clause 7.

Complainant means a person making a complaint.

Complaint Handler/Manager means a person appointed under this policy to investigate a Complaint.

Discrimination occurs when someone is treated unfairly or less favourably than another person in the same or similar circumstances because of a particular personal characteristic. This is known as direct discrimination. Indirect discrimination occurs when a rule, policy or practice disadvantages one group of people in comparison with others, even though it appears to treat all people the same.

In Australia, it is against the law to discriminate against someone because of their:

- Age;
- Disability;
- Family/carer responsibilities;
- Gender identity/transgender status;
- Homosexuality and sexual orientation;
- Irrelevant medical record;
- Irrelevant criminal record;
- Political belief/activity;
- Pregnancy and breastfeeding;
- Race;
- Religious belief/activity;
- Sex or gender;
- Social origin;
- Trade union membership/activity.

(Some States and Territories include additional characteristics such as physical features or association with a person with one or more of the characteristics listed above).

Examples of Discrimination are available on the Play by the Rules website:

www.playbytherules.net.au/legal-stuff/discrimination

- **Age:** A club refuses to allow an older person to coach a team simply because of age.
- **Breastfeeding:** A member of the club who is breastfeeding a baby in the club rooms is asked to leave.
- **Disability:** A junior player is overlooked because of mild epilepsy.
- **Family responsibilities:** A club decides not to promote an employee because he has a child with a disability even though the employee is the best person for the job.
- **Gender Identity:** A transgender contract worker is harassed when employees refuse to call her by her female name.
- **Homosexuality:** An athlete is ostracised from her team after it becomes known that she is a lesbian.
- **Marital Status:** A player is deliberately excluded from team activities and social functions because she is single
- **Pregnancy:** A woman is dropped from a squad when she becomes pregnant.
- **Race:** An Italian referee is not permitted to referee games with a high proportion of Italian players on one team because of his race.
- **Sex:** Specialist coaching is only offered to male players in a mixed team.

It is also a breach of discrimination law to victimise a person who is involved in making a complaint of discrimination or harassment. Example: a player is ostracised by her male coach for complaining about his sexist behaviour or for supporting another player who has made such a complaint.

Some exceptions to state and federal anti-discrimination law apply, such as:

- holding a competitive sporting activity for boys and girls only who are under the age of 15,
- excluding people on the basis of their 'excluding people on the basis of their sex and/or gender identity status from participation in a competitive sporting activity where the strength, stamina or physique of competitors is relevant to the specific activity (note that this does not apply to activity by children who are under the age of 12 years); and
- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular activity.

GA Discipline and Appeals By-Law means the GA Discipline and Appeals By-Law 4 approved by the GA Board on 29 April 2007 as amended from time to time.

GA Discipline Committee means the committee constituted pursuant to GA's Discipline and Appeals By-law 4.

GA Grievance By-Law means the GA Grievance By-Law 3 approved by the GA Board on 29 April 2007 as amended from time to time.

Unlawful harassment is sexual or targets a person because of their race, sex, pregnancy, marital status, sexual orientation or some other characteristic (see characteristic list under discrimination).

Harassment may be a single incident but is usually repeated. It may be explicit or implicit, verbal or non-verbal and includes electronic communication.

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination or harassment may also be against the law.

Public acts of racial hatred which are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. This applies to spectators, participants or any other person who engages in such an act in public. Some states and territories also prohibit public acts that vilify on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability – see vilification.

Natural justice (also referred to as procedural fairness) incorporates the following principles:

- both the Complainant and the Respondent must know the full details of what is being said against them and have the opportunity to respond;
- all relevant submissions must be considered;
- no person may judge their own case;
- the decision maker/s must be unbiased, fair and just;
- the penalties imposed must be fair.

Sexual harassment can take many different forms and may include unwanted physical contact, verbal comments, jokes, propositions, display of pornographic or offensive material or other behaviour that creates a sexually hostile environment.

Sexual harassment is not behaviour based on mutual attraction, friendship and respect. If the interaction is between consenting adults, it is not sexual harassment.

Sexual offence means a criminal offence involving sexual activity or acts of indecency including but not limited to (due to differences under state/territory legislation):

- Rape
- Indecent assault
- Sexual assault

Vilification involves a person or organisation doing public acts to incite hatred towards, serious contempt for, or severe ridicule of a person or group of persons having any of the attributes or characteristics within the meaning of discrimination. Public acts that may amount to vilification include any form of communication to the public and any conduct observable by the public.

PART C: SCREENING / WORKING WITH CHILDREN CHECK REQUIREMENTS

last update August 2015

Background

We are committed to providing a safe environment for children. As part of this, we will recruit staff and volunteers who do not pose a risk to children.

Child protection is about keeping children safe from harm/abuse. Child abuse is illegal, and all states and territories have their own systems and laws that cover screening and/or the reporting and investigation of cases of child abuse.

Working with Children Check (WWCC) laws aim to prevent people who pose a risk from working with children as paid employees or volunteers. Working with Children Check laws are currently in place in New South Wales, Queensland, Western Australia, Victoria, the Northern Territory, the Australian Capital Territory, and South Australia. Working with Children Check laws are currently being introduced in Tasmania.

These laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with children. Employment screening and Working with Children Checks can involve criminal history checks, signed declarations, referee checks and other appropriate checks that assess a person's suitability to work with children and young people. In some states this also involves reviewing relevant findings from disciplinary proceedings. There are also requirements placed on organisations.

GA including its state associations and clubs, will meet the requirements of the relevant state or territory Working with Children Check laws.

Please be aware that individuals travelling with children and young people to another state or territory in a work-related capacity must comply with the screening requirements of that particular state or territory. For example, if a state association or club takes players U18 into New South Wales for training camps, competition or other activities, those travelling with the teams must comply with NSW law.

The state WWCC requirements apply regardless of our national, state or club Member Protection Policy.

The following attachments provide:

- summary information on state and territory WWCC requirements and where to obtain more information and relevant forms;
- our Member Protection Declaration (for all states/territories except NSW who must complete a Prohibited Employment Declaration provided by the NSW Commission for Children and Young People);
- our screening requirements for people residing Tasmania

Attachment C1: EMPLOYMENT SCREENING REQUIREMENTS

for Tasmania only; all other States/Territories refer to C3

Under the *Registration to Work with Vulnerable People Act 2013* (Tas) it is mandatory for all people working or volunteering in the sport and recreation sector in Tasmania to hold a Working with Children Registration by 1 April 2015.

This attachment explains the procedures we will use to screen the people associated with our organisation who work, coach or have regular unsupervised contact with children and young people under the age of 18 years. We require our state associations and clubs to follow this procedure.

1. We will identify all positions where people work, coach or have regular unsupervised contact with children and young people under the age of 18 years.
2. Before a person is offered such a position, we will ask him or her to complete a Member Protection Declaration ("MPD") (see *Attachment C2*).
3. If a person is unable to provide a MPD, or if he or she cannot satisfactorily answer the questions in the MPD, we will ask that person to provide an explanation. We will then make an assessment about the person's suitability to work with children and young people. If we are not satisfied of the person's suitability to work with children and young people, we will not appoint them to the position.
4. Where possible, we will check a person's referees (verbal or written) about his or her suitability for the position.
5. We will ask each person to sign a consent form for a national police check and explain why our policy requires a police check to be undertaken.
6. If a person does not agree to a national police check, we will make an assessment about his or her suitability to work with children and young people.
7. If the national police check indicates that a "relevant offence" has been recorded, we will ask the person to provide an explanation. We will then make an assessment about the person's suitability to work with children and young people. If we are not satisfied of the person's suitability to work with children and young people, we will not appoint them to the position.
8. We will protect the privacy of each person who undertakes the screening process and keep all information we obtain strictly confidential.
9. We will return all the information collected as part of the screening process (e.g. completed MPD forms, national police checks and referee reports) to the relevant person if he or she is not appointed to the position. Alternatively, all records will be destroyed within 28 days of the date of the decision or the expiry of any appeal period unless, within that time, the person requests the documents to be returned to him or her. The records of all people appointed to our organisation will be kept on file in a secure location.

Attachment C2: MEMBER PROTECTION DECLARATION

GA has a duty of care to all those associated with the sport at the national level and to the individuals and organisations to whom our Member Protection Policy applies. Travelling to other states or territories

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children Check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your organisation is travelling interstate to do work that would normally require a working for children check, you will need to check the relevant requirements of that state or territory.

PART D: COMPLAINT HANDLING PROCEDURES

We will deal with all complaints in a fair, timely and transparent manner. All complaints will be treated seriously.

We will provide individuals with an informal and informal process to resolve the matter, along with access to an external complaint handling body, based on the nature of the complaint and our rules and regulations.

We also provide an appeals process for those matters.

We will maintain confidentiality where possible and as provided in this policy and seek to ensure that no one is victimised for making, supporting or providing information about a complaint.

To ensure due process, consistency and that the principles of natural justice are followed in all aspects of handling or conducting complaints, allegations, investigations, appeals and disciplinary measures, GA will follow the procedures set out below.

Attachment D1: COMPLAINTS PROCEDURE

All complaints will be kept confidential and will not be disclosed to another person without the complainant's consent except if law requires disclosure or if disclosure is necessary to effectively deal with the complaint.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection or other relevant legislation.

If you wish to remain anonymous, GA may have difficulty assisting you to resolve your complaint. Procedural fairness (natural justice) means that GA is required to provide the person/people you have complained about with full details of the complaint so they have a fair chance to respond.

INFORMAL APPROACHES

Step 1: Talk with the other person (where this is reasonable and appropriate)

In the first instance, you (the Complainant) should try to sort out the problem with the person or people involved (respondent) if you feel able to do so.

Step 2: Contact a Member Protection Information Officer

Talk with one of our Member Protection Information Officers (MPIOs) if:

- the first step is not possible/reasonable;
- you are not sure how to handle the problem by yourself;
- you want to talk confidentially about the problem with someone and obtain more information about what you can do; or
- the problem continues after you tried to approach the person or people involved.

The MPIO will:

- take confidential notes about your complaint;
- try to find out the facts of the problem;
- ask what outcome/how you want the problem resolved and if you need support;
- provide possible options for you to resolve the problem;
- act as a support person if you so wish;
- refer you to an appropriate person (e.g. Mediator) to help you resolve the problem, if necessary;
- inform the relevant government authorities and/or police if required by law to do so;
- maintain confidentiality.

Step 3: Outcomes from initial contact

After talking with the MPIO, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and work out your own resolution (with or without a support person such as a MPIO); or
- to seek a mediated resolution with the help of a third person (such as a mediator); or
- to seek a formal approach.

FORMAL APPROACHES

Step 4: Making a Formal complaint

If your complaint is not resolved or informal approaches are not appropriate or possible, you may:

- make a formal complaint in writing to the MPIO; or
- approach a relevant external agency such as an anti-discrimination commission, for advice.

On receiving a formal complaint and based on the material you have provided, the MPIO will decide whether:

- they are the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint warrants a formal resolution procedure;
- to appoint a person to **investigate** (gather more information on) the complaint;
- to refer the complaint to mediation;
- to refer the complaint to the GA Discipline Committee;
- to refer the matter to the police or other appropriate authority; and/or
- to implement any interim arrangements that will apply until the complaint process set out in these Procedures is completed.

In making the decision(s) outlined above, the MPIO will take into account:

- whether they have had any personal involvement in the circumstances which means that someone else should handle the complaint;
- your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled;
- the relationship between you and the respondent (for example an actual or perceived power imbalance between you and the respondent);
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the possibility that you will be subject to further unacceptable behaviour while the complaint process is underway.

If the MPIO is the appropriate person to handle the complaint they will, to the extent that these steps are necessary:

- put the information they've received from you to the person/people you're complaining about and ask them to provide their side of the story;
- decide if they have enough information to determine whether the matter alleged in your complaint did or didn't happen; and/or
- determine what, if any, further action to take. This action may include disciplinary action in accordance with this policy.

Step 5: Investigation of the complaint

- A person appointed under Step 4 (or other authorised person) will conduct an investigation and provide a written report to the GA Discipline Committee who will determine what further action to take;
- If the complaint is referred to mediation, it will be conducted in accordance with Attachment D2 or as otherwise agreed by you and the respondent and the mediation provider;
- If the complaint is referred to GA Discipline Committee, the hearing will be conducted in accordance with Attachment D5.
- If the complaint is referred to the police or other appropriate authority, GA will use its best endeavours to provide all reasonable assistance required by the police or other authority.
- It must be made clear to all parties that the investigator is not seeking to resolve the matter, nor to decide whether any breach of this Policy has occurred, nor to impose any penalty. Any decision about Policy breach must be referred to an independent tribunal, and wherever possible, mediations should be conducted by an independent mediator.

In appropriate circumstances (and as determined solely at the discretion of the CEO) the Complainant may be liable for any costs or disbursements relating to the complaint process set out in this Policy (e.g. investigation and/or mediation and/or hearings).

Step 6: Reconsideration of initial outcome/investigation or appeal

If, under the formal complaint process, mediation is unsuccessful, you may request that the CEO reconsider the complaint in accordance with **Step 3**.

You or the respondent(s) may be entitled to appeal. The grounds and process for appeals under this Policy are set out in Attachment D5.

Step 7: Documenting the resolution

GA will document the complaint, the process and the outcome. This document will be stored in a confidential and secure place. If the complaint was dealt with at a state/district level, the information will be stored in the state association office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the national level, the original document will be stored at the national office with a copy stored at the state office.

EXTERNAL APPROACHES

There are a range of other options available depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from your State or Territory anti-discrimination commission without being obliged to make a formal complaint. If the commission advises you that the problem appears to be harassment within its jurisdiction, you may lodge a formal complaint with the commission.

Once a complaint is received by an anti-discrimination commission, it will investigate. If it appears that unlawful harassment or discrimination has occurred, the commission will conciliate the complaint confidentially. If this fails, or is inappropriate, the complaint may go to a formal hearing where a finding will be made. The tribunal will decide upon what action, if any, will be taken. This could include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred.

If you do lodge a complaint under anti-discrimination law, you may use an appropriate person (e.g. an MPIO) as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.

You could also approach another external agency such as the police.

ATTACHMENT D2: MEDIATION

Mediation is a process during which people in conflict are helped to communicate with each other to identify the areas of dispute and to make decisions about resolving it. The procedure for mediation that will be followed by GA is in accordance with the GA Grievance By-Law.

The GA Grievance By-Law 3 has been established by the GA Board under clause 11.2(b) of the GA Constitution and was approved on 29 April 2007. It is binding on GA and all members of GA.

A copy of this By-Law is attached to the Member Protection Policy.

ATTACHMENT D3: INVESTIGATION PROCESS

If an investigation needs to be conducted to gather more information the following steps will be followed:

1. We will provide a written brief to the investigator clarifying terms of engagement and roles and responsibilities. The investigator will:
 - 1.1 Interview the complainant and record the interview in writing.
 - 1.2 Convey full details of the complaint to the respondent (s) so that they can respond.
 - 1.3 Interview the respondent to allow them to answer the complaint, and record the interview in writing.
 - 1.4 Obtain statements from witnesses and other relevant evidence to assist in a determination, if there is a dispute over the facts
 - 1.5 Make a finding as to whether the complaint is:
 - substantiated (there is sufficient evidence to support the complaint);
 - inconclusive (there is insufficient evidence either way);
 - unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); and/or
 - mischievous, vexatious or knowingly untrue.
 - 1.6 Provide a report to the GA Discipline Committee documenting the complaint, investigation process, evidence, finding and, if requested, recommendations.
2. We will provide a report to the complainant and the respondent(s) documenting the complaint, the investigation process and summarising key points that are substantiated, inconclusive, unsubstantiated and/or mischievous.
3. The complainant and the respondent(s) will be entitled to support throughout this process from their chosen support person/adviser (e.g. MPIO or other person).
4. The complainant and the respondent(s) may have the right to appeal against any decision arrived at based on the investigation. Information on our appeals process is in Attachment D5.

ATTACHMENT D4: HEARINGS & APPEALS TRIBUNAL PROCEDURE

The GA Discipline and Appeals By-Law will be followed for hearings and appeals in relation to national member protection related complaints. The GA Discipline and Appeals By-Law has been established by the GA Board under Clause 11.2(b) of the GA Constitution and was approved on 29 April 2007. It is binding on GA and all members of GA.

A copy of this By-Law is available on the GA website.

PART E: REPORTING DOCUMENTS

The following information was updated in November 2011. It is subject to change at any time.

QUEENSLAND

If you have a reason to suspect a child in Queensland is experiencing harm, or is at risk of experiencing harm, you need to contact Child Safety Services:

<http://www.communities.qld.gov.au/childsafety/about-us/contact-us> :

- **During normal business hours** - contact the Regional Intake Service. <http://www.communities.qld.gov.au/childsafety/about-us/contact-us/child-safety-service-centres/regional-intake-services>
- **After hours and on weekends** - contact the Child Safety After Hours Service Centre on **1800 177 135** or (07) 3235 9999. The service operates 24 hours a day, seven days a week.

If you believe a child is in immediate danger or in a life-threatening situation, contact the Queensland Police Service immediately by dialling **000**.

Queensland Police Service has a number of child protection and investigation units across Queensland. To contact the Queensland Police Service, contact the Police District Communication Centre nearest you.

(<http://www.police.qld.gov.au/forms/contact.asp#districtComms>).

If you aren't sure who to call, or for assistance to locate your nearest child safety service centre, contact Child Safety Services' Enquiries Unit on **1800 811 810**. Child safety service centres have professionally trained child protection staff who are skilled in dealing with information about harm or risk of harm to children.

NEW SOUTH WALES

Anyone who suspects, on reasonable grounds, that a child or young person is at risk of being neglected or physically, sexually or emotionally abused, should report it to Community Services.

Reasonable grounds is the standard that reporters must use in deciding whether or not to report to Community Services.

It does not mean that reporters are required to confirm their suspicions or provide solid proof before making a report. A useful rule of thumb is to consider whether another person, when faced with similar information, would also draw the same conclusion.

You can make a report by phoning the **Child Protection Helpline on 132 111** (TTY 1800 212 936) for the cost of a local call, 24 hours a day, 7 days a week.

WESTERN AUSTRALIA

If you are concerned about a child's wellbeing, contact the Department for Child Protection's district office closest to where the child lives or the Crisis Care Unit after hours. (<http://www.dcp.wa.gov.au/Organisation/ContactUs/Pages/ContactUs.aspx>)

If you believe a child is in immediate danger or in a life-threatening situation, contact the Western Australia Police immediately by dialling **000**.

If you make a report or disclose relevant information to the Department for Child Protection, there is legislative protection for the notifier. These are:

- Protection of identity - with some exceptions, your identity must not be disclosed without your consent. For further information, refer to section 240 of the *Children and Community Services Act 2004*
- Legal protection – you are not subject to legal liability under State law providing the information is provided in good faith.
- Professional protection – authorised disclosure of information cannot be held to constitute unprofessional conduct or a breach of professional ethics. As a result you cannot be disciplined by your professional body or incur any formal professional negative consequences at your workplace.

When you contact the Department, the Duty Officer will gather and record information that you provide and decide how best to respond. The type of information that the officer will gather includes:

- details about the child/young person and family
- the reasons you are concerned
- the immediate risk to the child
- whether or not the child or family has support
- what may need to happen to make the child safe
- your contact details, so that the officer can call you to obtain further information if required or to provide feedback.

You do not need to have all the details about the child or family when you contact the Department for Child Protection

For more information: <http://www.dcp.wa.gov.au/ChildProtection/>

VICTORIA

Some professionals such as doctors, nurses, police and school teachers are legally obliged to report suspected child abuse. In addition, any person who believes on reasonable grounds that a child needs protection can make a report to the Victorian Child Protection Service. It is the Child Protection worker's job to assess and, where necessary, further investigate if a child or young person is at risk of harm.

For more information: <http://www.dhs.vic.gov.au/>

SOUTH AUSTRALIA

Staff contractors and volunteers who work with children are mandated notifiers and have a legal obligation to report any suspicion of child abuse and/or neglect that they may form in the course of their employment or volunteer activity based on reasonable grounds. This obligation extends to persons holding a management position whose duties include direct responsibility for, or direct supervision of the provision of services to children.

Reports are made to the CHILD ABUSE HELP LINE 13 14 78

A reasonable suspicion must be based on facts, for example:

- A disclosure of abuse by a child

- Professional judgement, based on the notifier's experience and observations

The organisation has an obligation to make each affected person aware of this legal obligation.

There is no obligation that recreation or sporting organisations require mandated reporters to undertake formal external training in the recognition of child abuse.

The law also stipulates that no person shall threaten or intimidate, or cause damage, loss or disadvantage to another person because that person has made a notification or proposes to make a notification pursuant to the *Children's Protection Act 1993*.

NORTHERN TERRITORY

In the Northern Territory any person who believes that a child is being, or has been, abused or neglected is required by law to report their concerns.

Reports should be made to the 24 hour Centralised Intake Service by using the free-call phone number **1800 700 250**.

Remember, you do not need to prove abuse or neglect, you need only report your concerns. The Care and Protection of Children Act provides legal protection against civil or criminal liability for people who make reports in good faith.

The Act also makes it clear that making a report does not breach any requirements of confidentiality or professional ethics.

Attachment E3: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.

Fact sheets on reporting allegations of child abuse in different states and territories are available at www.playbytherules.net.au.

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with GA in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the CEO of GA so that he or she can manage the situation.

Step 3: Protect the child and manage the situation

- The CEO will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is in paid employment with GA.
- The CEO will consider what services may be most appropriate to support the child and his or her parent/s.
- The CEO will consider what support services may be appropriate for the alleged offender.
- The CEO will put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

- Up to three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
 - a criminal investigation (conducted by the police)
 - a child protection investigation (conducted by the relevant child protection agency)
 - a disciplinary or misconduct inquiry/investigation (conducted by GA).
- Regardless of the findings of the police and/or child protection agency investigations, GA will assess the allegations to decide whether the alleged offender should return to his or her position, be dismissed, be banned or face any other disciplinary action.
- The CEO of GA will consider all information relevant to the matter – including any findings made by the police, the child protection authority and/or court – and then set out a finding, recommend actions and the rationale for those actions.
- If disciplinary action is recommended, we will follow the procedures set out in Clause 9 of our Member Protection Policy.
- We will provide the relevant government agency with a report of any disciplinary action we take, where this is required.
